It happened on February 10th, 2012 at Tanjung Pandan airport, West Java province. The injured persons were rushed to hospital and one of them was declared dead. According to media reports, the fatality was the KLM pilot. Indonesia's Transportation Ministry has ordered the civil aviation director-general to investigate the cause. Local media said that the plane was taking off from the airport to Jakarta and was supposed to land in Jakarta at 7:05 p.m. When it returned from Jakarta, it was lined up for landing and the co-pilot's radio transmission wasn't heard. When the engine didn't turn on the power, the plane kept moving towards the runway. A high-rise building was close by which saw both the aircraft engine and fuselage burning. The aircraft slid in a ditch and was in flames. KLM flies in IndonesiaThe Young Diaries The Young Diaries is a lifestyle magazine, published once a month in Australia, which profiles and documents the 'normies', or 'everyday people' of Australia, their thoughts and interests in life, love, and relationships. Rather than being a publication centred on young, new Australians, the magazine's editor and co-founder, Rachel Strutt, stated that the young diaries was meant to be a "collection of stories from the young diaries themselves". Although The Young Diaries' content is not primarily dedicated to young people, it is often a matter of interest to them and their experiences are covered e79caf774b
